

Service Uniform E-2/E-3 Collar Device Placement

- Sailors in paygrade E-2 to E-6 will wear their rank device on both their collars of the new Service Uniform. Rate specialty marks, to include Corpsmen caduceus, RP's rose/compass/globe/anchor, etc will NOT be worn on the collar of the new Service Uniforms.
- Collar Devices for E-2 and E-3 are placed 1 inch from the center of the insignia to the front and lower edges of the collar, positioned on the vertical axis of the insignia along an imaginary line (A) that bisects the angle of the collar point. See the photo above to assist in your efforts.
